MAY 2010

Ed Carney

2010 Nomads President
Export Oil Field Supply Co

At our April 8th luncheon meeting - Mr. Kurt Hallead, Chief of Oil Service, Financial Analyst. RBC Wealth Management, spoke to us on a very interesting topic. We had a very good attendance and Mr. Hallead showed us some of the methods used by his industry to analyze ours. We had a very lively question and answer session. His report is available for your review on the Nomads website (www.nomadsintl.com).

Our busy season is here. This week was the reservation deadlines for both our July 17th Red Snapper Fishing Tournament and our September 26th Nomads Caribbean cruise. We have 35 participants in our fishing tournament, but unfortunately, our cruise has been cancelled. We did not have enough response to guarantee prices and dates. We thank those of you who showed interest, and we appreciate the efforts of Randy Hall in organizing the cruise. We will plan another one in the future.

We had an excellent response on our Astros' outings—the \$5.00 tickets went fast! Thanks to Michael Dyll for his efforts in organizing these outings. Go Astros!

Our next big event is the OTC Cocktail Party on Monday, May 3, in the Café on the Park at Reliant Center. We have confirmed many reservations and urge you to finalize your ticket orders quickly. We have received 50 reservations from Abu Dhabi and we will have end users and customers present from the Middle East. What an opportunity for everyone, as many of these attendees are looking for new vendors.

Our next meeting is a dinner scheduled for May 13, 2010. Our speaker will be John Colglazier of Anadarko Petroleum. He will give us an overview of Anadarko's current activities. We hope you'll plan now to attend.
