Richard Vernetzy, 2005 President of NOMADS, welcomed everyone to the February 2005 Forecast Meeting presented by World Oil Magazine, with 118 members and guests in attendance.

“Hi and Welcome to NOMADS 2005. I begin this year as your President by thanking our 2004 President, Bedford Percy, for his excellent leadership. We are committed to following the groundwork he established.

One of the primary goals that I set out in my remarks at the Inaugural Ball is to establish an aggressive membership program. We will develop a strategy plan on the benefits of a NOMADS membership that fits today’s domestic & international business marketplace. We will build on the base established last year, appointing qualified members to work with our membership chairman (Richard Parlman) to form a committee. They will identify qualified, aggressive candidates. We will ask our senior members (past Presidents, etal) to contact executives of qualified member-companies for their “buy-in” of the benefits for themselves, as well as their subordinates, on NOMADS. Our goal is the

induction of 50 new members in November. We need active volunteers to participate on this committee, as well as other committees outlined on page 4 of this publication. For more information, email wandabaker@houston.rr.com. We look forward to a great year!”

Kurt Abraham, Perry Fischer, and Bob Snyder, World Oil Magazine, presented an excellent program. If you were unable to attend the meeting, or if you would like to review the 2005 forecast presentation, just log on the website (nomadsintl.com).
