Gary Kirsch
Nomads 2007 President

Our thanks to guest speaker Bruce Crager, President & CEO, Intec Engineering for his presentation on his company's activities at our last luncheon meeting on June 7. There will be no meeting in July, but our next meeting also will be a luncheon at 11:30 AM on Thursday, August 9. Our speaker will be Jacques Salies, Drilling Manager, PETROBRAS. Check you calendars now and make plans to attend.

Another reminder: the Annual NOMADS Golf Tournament will be held on Thursday, October 18 at Blackhorse Golf Club. This is a very important fundraising event for NOMADS that needs every member's support and participation. On a serious note: your active participation in the tournament is needed more than ever this year after the disappointing turnout at our OTC cocktail party. Let's get your foursomes lined up NOW for the Golf Tournament and make it the biggest and best yet.

Looking forward to seeing you – and your guests – at the August 9 luncheon. As you all know, bringing in new members is one of our key goals. All NOMADS have a responsibility to seek out and recruit new members, and you can all help out by bringing potential members to our meetings and functions. Remember, these meetings offer all of us an excellent opportunity to recruit and meet new members. Be sure to invite the membership candidates you know to the August meeting.

The art of communication is not what you can hear being said from the other person's mouth, but what you can feel from his heart and see in his eyes.
