Wow, it's hard to believe that July is already here. I hope 2008 has been a great year so far for everyone.

Our June speaker, Andrew Slaughter, Shell's North American E&P Business and Senior North American Energy Advisor for Shell's Global Business Environment team gave a very interesting talk on "A Comprehensive View to 2030 of Global Oil and Natural Gas". If you were not able to attend you missed a good overview of the industry going forward to 2030. We want to thank Mr. Slaughter for his presentation.

Monday August 11th will be a Dinner meeting at 5:30 and our speaker will be Mr. Ramon Guerrero President & CEO of ITS. Mr. Guerrero will explain the relationship between ITS and PEMEX and what ITS does for PEMEX. He will also give a general discussion on the current projects of PEMEX and their upcoming projects and plans. This should be a very informative discussion, especially for those of you with interest in Mexico.

Sam Plunk

2008 Nomads President

Membership should still be a focus for everyone. We've had a good year in recruiting new members but we need to continue the trend. Please invite anyone you think would be a good NOMAD to our meetings as well as inviting them to join NOMADS.

The scholarship applications are in and will be reviewed in the next few weeks. We want to thank all of the students that took the time to apply. The winners of the scholarships will be announced in August.

Don't forget our Annual NOMADS Golf Tournament is just around the corner. It will be held Thursday, October 30th, at Black Horse. This event is our major fund raiser of the year and needs the support of all members. It's not too late to line up your foursomes. The Golf Tournament is also an excellent way to recruit new members. Bring potential members and introduce them around.

Look forward to seeing you at the August 11th Dinner at HESS.

Sam Plunk
