Gary Kirsch
Nomads 2007 President

Welcome and heartfelt congratulations to the 10 new NOMADS who were formally inducted into the Realm at our November 12 dinner meeting. Those members who were unable to attend missed an excellent presentation by Louis Slaughter (1994 NOMADS President) on what it has meant to him to be a NOMAD. First, he holds the distinction of working for Elmer Decker, founder of NOMADS, when he joined Martin Decker in 1965. Louis' warm, personal comments centered on his observations in three areas: Friendship, Opportunity and Identity. NOMADS has offered Louis many, many friendships over the years, as he met our members throughout the world. Opportunity also came from these same friends who helped Louis throughout his career with contacts leading to additional business successes. Finally, Louis established a special identity as he met even more people as he worked his way through the officer ranks of NOMADS. He went on to point out the importance of wearing his NOMADS pin, as it provided instant recognition in many foreign lands. Friendship, Opportunity, and Identity – these are all available to all of us who take full advantage of NOMADS membership! Thanks again, Louis for the great talk!

Our next meeting will be our Annual Business Meeting at 5:30 PM on Monday December 10. As a reminder, attendance at this meeting is limited to members of NOMADS as we will be reviewing the present and future the state of the organization, and announcing results of our annual election. In addition, since we will be honoring our deceased NOMADS at this meeting, the traditional attire is either black tie or dark suits. Please be sure to attend this important session.

Ballots for our annual election are included with this issue of The Caravan. We will be filling two vacancies this year: Treasurer and Sergeant at Arms. Your vote is important, so be sure to return the ballot as soon as possible. Our annual Inaugural Gala is scheduled for Saturday, January 19 at the Westin Galleria Hotel. This event offers all of you an excellent opportunity to provide some first-class entertainment for your top customers – make plans now to attend. Early bookings will help us put together the best plan for the evening.

I'm looking forward to seeing you all at both the Annual Meeting and the Gala. Remember to proudly wear those NOMADS pins!
