Qualifications for Regular Membership

- (A) Such persons located within continental United States of America, as shall have made a business trip or trips of sufficient duration to a country or countries other than continental United States of America in the interests of a manufacturer or distributor of oil field equipment and/or oil field materials, or an oil trade publication, drilling contractor or oil company having its principal offices in the USA.
- (B) Such persons as are agents, resident in a country foreign to the USA, of a manufacturer or distributor of oil field equipment and/or materials, or an oil trade publication, drilling contractor or oil company having its principal offices within the continental USA, provided that such an agent has made a trip to continental USA in the interests of such firms, and provided further that such agent shall not be a sub-agent or sub-dealer and shall not directly represent such firms that have their principal offices outside the USA.
